

For iPhone download:

1. On your smartphone device, click [here](#) for your GardenComm Press Pass Template.
2. Click the 'options' icon

3. Select Create PDF (see images below)

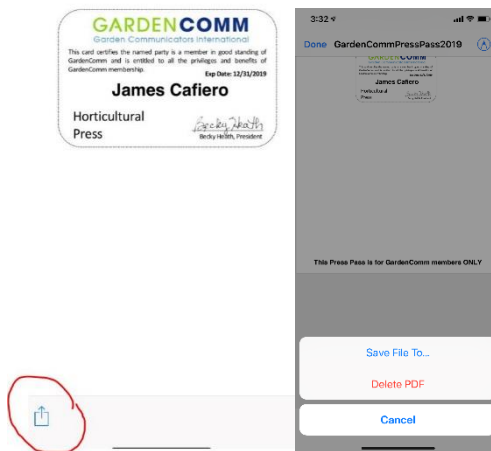

4. Click on the middle of the Press Pass and type in your first and last name (see image below)

5. Click “done”

6. Click your ‘options’ icon and select Save to Files or Download – OR take a ‘screenshot’ or ‘screengrab’ of your screen – this will save your Press Pass to your photos.

7. Save the file to Pages and you're done!
